serving as the family doctor of the day today on behalf of the Nebraska Academy of Family Physicians. Dr. Ptacek is sitting under the north balcony. Will you please stand and be recognized. Welcome to the Legislature. Mr. Clerk.

CLERK: I have nothing further pending to the committee amendments, Madam President.

PRESIDENT ROBAK: Thank you, Mr. Clerk. Is there any further discussion on the committee amendments? Seeing none, Senator Bohlke to close on the committee amendments.

SENATOR BOHLKE: Madam President, I have just asked Senator Robak if she would like to close on, on the committee amendments being she's made the additions to the bill. And so I will give my time to her.

PRESIDENT ROBAK: Senator Robak.

SENATOR ROBAK: Senator Bohlke, do you want me to close on them or open on them? We haven't discussed the committee amendments as of yet. How much time do I have?

PRESIDENT ROBAK: Senator Robak, there's five minutes to close, and this is the closing on the committee amendments. The committee amendments were opened yesterday, and there's no, no discussion on the committee amendments.

SENATOR ROBAK: And, Senator Bohlke, the committee amendments make the bill, do they not?

SENATOR BOHLKE: That's correct, Senator Robak.

SENATOR ROBAK: Yeah, okay, well I will need a little bit more time.

PRESIDENT ROBAK: No, Senator, we're closing on the committee amendments. There are five minutes to close on the amendment, then we will have time to open on the bill after the committee amendments are adopted.

SENATOR ROBAK: The committee amendments are fine as, as the floor just took out a Section 4 and we will debate that on LB 1050. I'm perfectly happy with the bill as it stands...with
