SENATOR JANSSEN: Yes, they will. All right. So, now is this, do you suppose this would mean that there are other Class VI schools out there that could choose to do the same thing?

SENATOR BOHLKE: They may, who have not offered transportation?

SENATOR JANSSEN: In the past, right.

SENATOR BOHLKE: Yes, that could be more of a consideration for them.

SENATOR JANSSEN: I think the Class VI schools, are those members in the body that have Class VI schools should be aware of this, that that could be a factor for them to help them now that haven't...that it hasn't helped before. I don't know whether they'd want to do that or not, but they should keep this in mind that that would, that is one option where they could use this to help them gain a little bit more equalization.

SENATOR BOHLKE: I have a Class VI system does not offer transportation today. This may help them take another look at that.

SENATOR JANSSEN: Thank you, that's all I have to say.

SENATOR CROSBY: Thank you, Senator Janssen. Before the next speaker I'd like to call the Legislature's attention to the north balcony. Senator David Maurstad has, as his guest, Linda Smith, who's president of Beatrice Chamber of Commerce, Norma Lohse, Lodene Clausen, Ann Nickel, and Jim Guilliat, you're standing, will you be welcomed by your Legislature. Thank you. Senator Robinson, on the present division

SENATOR ROBINSON: Madam President and members of the body, Senator Bohlke, would you attempt to answer some questions I have?

SENATOR BOHLKE: Yes, I would.

SENATOR CROSBY: Senator Bohlke.

SENATOR ROBINSON: All of this takes in...takes place in the tier of the school is in, is that correct? That's what I...
