amendment is that it moves the date on the alternative education
back and that was something that we heard from a large number of
superintendents that they would like to see accomplished on this
bill.   And so it was to begin January 1, 1997, this would move
the date back to January 1...July 1, 1997.   There also changes
the date for impact aid and clarifies the money distributed from
the   insurance tax fund.   And another clarification of the
evaluation year   and   fall   membership.   Those   are   all   more
technical   things   that   allows the department to give their, to
give the school districts their estimates and their numbers in a
quicker fashion. So with that I ask you   for   support   of   this
amendment.   Thank you.

SENATOR   COORDSEN: Thank you, Senator Bohlke.   You've heard the
closing.   The issue before the body is in the Withem division of
the last section of the original   division   which   provides   for
options for employees involved in school district reorganization
and   funds   for reorganizational studies.   All those in favor of
this sect on   please   vote   aye,   those   opposed no.   Record,
Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the adoption of that
component of the committee amendments.

SENATOR COORDSEN.   Thank you, Mr. Clerk.   That component of   the
division of the committee amendments is adopted.   Mr. Speaker,
did you wish to address the body?

SPEAKER   WITHEM: Yes,   I'd like to announce a slight, well, a
modification of today's agenda.   We have just a few minutes lef'
here before the lunch hour.   But   members   have   approached   me
about   some   legislative   resolutions   that   I believe are quite
noncontroversial.   And also there is   a   degree   of   timeliness
associated   with them.   So I'm modifying today's agenda by...do
we, I see suspend the rules up there.   Could I ask the Clerk, is
this, do we need to suspend the rules to do this?

CLERK: Yes, sir.

SPEAKER WITHEM: Okay.   This would be a,   then   modifying   the
agenda, placing before us a motion to suspend the rules to allow
for   the consideration of LRs 319, 320, and I don't see a number
on the other one, I assume, though, that it might be 321.
