buying computers and doing other things in the future with all the various agencies. I would close and be happy to answer any questions. Thank you.

SPEAKER WITHEM: Thank you, Senator Kristensen. Senator Hartnett, for discussion on a motion to advance.

SENATOR HARTNETT: Mr. Speaker, members of the body, Senator Kristensen,...

SPEAKER WITHEM: Senator Kristensen.

SENATOR KRISTENSEN: Yes.

SENATOR HARTNETT: ...as I look at your handout, the red and the blue,...

SENATOR KRISTENSEN: The pretty one?

SENATOR HARTNETT: Yeah. What you're...if I...is right that you're leaving, under Public Service Commission, as far as motor carrier services, the only thing you're leaving with them is the household and passenger movers, is that correct?

SENATOR KRISTENSEN: Well, as it relates to motor carrier services, they've got all their other telecommunications, all the other things.

SENATOR HARTNETT: Yeah, but just as it relates to (inaudible).

SENATOR KRISTENSEN: Yes, right.

SENATOR HARTNETT: Second question is that I noticed that on this handout is that under DMV and also the Department of Roads is accident reports. Was there any thoughts of combining that into one of these...one of these two, rather than you know, that...is that, I guess my question, is that duplication? But maybe the duplication is necessary. I'm just raising the question for...

SENATOR KRISTENSEN: If it was discussed, Senator, I have the report in there. Quite frankly, from my...from what I remember from that discussion was that much of that is done to identify problem areas in the roads, and that it was still good to keep
