

February 29, 1996 LB 943

factual things, and not that I don't value the Clerk's opinion, but...

SPEAKER WITHEM: Well, I don't, so...

SENATOR KRISTENSEN: ...that's not what I'm seeking. So, Mr. Clerk, if I may, when was the public hearing on LB 943?

CLERK: The Judiciary Committee conducted the hearing on February 1st, Senator.

SENATOR KRISTENSEN: And then 20 days from that point would have been...

CLERK: February 21, I believe.

SENATOR KRISTENSEN: The 21st of February. When was the motion to pull the bill filed?

CLERK: Senator Stuhr's motion was filed on February 22.

SENATOR KRISTENSEN: And when was the motion to indefinitely postpone the bill taken in committee? Not when it was reported, but when was it taken in committee, or do you know?

CLERK: I do not have that in front of me, Senator. I could find...if you give me 30 seconds, I can trace that, run that down. I received the report, but when they actually took that action...

SENATOR KRISTENSEN: I'll ask Senator Lindsay that question. When did you physically receive the IPP motion,...

CLERK: I received the Judiciary Committee report...

SENATOR KRISTENSEN: ...or the report? Excuse me.

CLERK: ...on February 26.

SENATOR KRISTENSEN: Okay, thank you, Mr. Clerk. Senator Lindsay, when did the committee kill the bill?

SPEAKER WITHEM: Senator Lindsay.
