LB 923

SENATOR BERNARD-STEVENS: Senator Landis, before I cast my lot into, and tip the scales of this particular proposal, would there be any, anything in the bill or would you consider an amendment on Select File that would put a free day, also a half day in that free day of free instruction? Because when I cast I have a tendency to catch a lot of things on the back end rather than even getting it to the water. Would there be any way that you could help, just for safety of the public?

SENATOR LANDIS: David, I fear in your case, you are totally unremediable and there's nothing that would help. (Laughter)

SENATOR BERNARD-STEVENS: I was afraid of that, Senator Landis.

SENATOR LANDIS: (inaudible) there be a free week or a free month, David, so probably not.

SENATOR BERNARD-STEVENS: That's what everyone says. Thanks, David.

SPEAKER WITHEM PRESIDING

SPEAKER WITHEM: Senator Beutler.

SENATOR BEUTLER: With respect to Senator Vrtiska's suggestion on equipment, I just need to say for the record that the Chair of the committee is not going to go for that hook, line, and sinker. (Laughter)

SPEAKER WITHEM: Senator Bohlke.

SENATOR BOHLKE: Senator Landis, question.

SENATOR LANDIS: Yes, yes.

SENATOR BOHLKE: Do we have a printout and do I know how it's going to affect my district? (Laughter)

SENATOR LANDIS: Thank you, yes.

SPEAKER WITHEM: Senator Landis, do I assume that was a waive of closing on that bill? Okay. Thank you. The question before the body is, shall LB 923 be advanced? All in favor vote aye, opposed vote nay. Record, Mr. Clerk.
