SENATOR VRTISKA: ...every senator might feel...

SENATOR ROBINSON: Did you pass, did you vote for the Schrock amendment?

SENATOR VRTISKA: Yeah.

SENATOR ROBINSON: Do you know about all those roads in the state of Nebraska?

SENATOR VRTISKA: No, I don't.

SENATOR ROBINSON: Okay.

SENATOR VRTISKA: Well, I know about a lot of them that are in my district.

SENATOR ROBINSON: I just wondered if everyone knows about all those roads in the state of Nebraska.

SENATOR VRTISKA: Well, anyway, that's...

SENATOR ROBINSON: Of course I voted for it too because I thought it was a good amendment and I think this is too.

SENATOR VRTISKA: I do too, but I'm just giving you my...

SENATOR ROBINSON: Yeah, I understand.

SENATOR VRTISKA: ...explanation why I'm going to vote no on your amendment. Thank you.

SENATOR CROSEY: Thank you, Senator Vrtiska. Senator Schmitt.

SENATOR SCHMITT: Senator Crosby and members, I wasn't going to talk much on this speed limit bill, but I was going to see if I could convince Senator Robinson to oppose his own amendment here. (Laughs) I guess I agree with Senator Chambers and Senator Kristensen, what they stated was that the Department of Roads can lower these speed limits. And I think one thing that the body should be aware of, if they have a problem in their district, unless they've changed the accident reports since I left law enforcement, there are blanks on those accident reports
