SENATOR BERNARD-STEVENS: Okay. So if we're adding more people it really will mean that some people, who may have gotten a loan now, may not because we're going to have to, all these other groups will be coming in.

SENATOR SCHELLPEPER: Yeah, because they are getting some payback, so there are extra dollars in there.

SENATOR BERNARD-STEVENS: Okay, thank you, Senator.

SPEAKER WITHEM: Senator Robinson.

SENATOR ROBINSON: Mr. President, members of the body. Senator Schellpeper, I have a quick question for you.

SPEAKER WITHEM: Senator Schellpeper.

SENATOR ROBINSON: How many people are we talking about in the loans?

SENATOR SCHELLPEPER: I don't have that figure with me, Senator. I can get it for you. I don't have that with me now.

SENATOR ROBINSON: I mean we're voting on something we don't even know how many people...

SENATOR SCHELLPEPER: Well, I don't know how many people apply in each one of these, no. There...

SENATOR ROBINSON: I mean, there is a limit, though, I mean...

SENATOR SCHELLPEPER: Well, doctors and doctors...physician's assistant, they're all listed here, nurses.

SENATOR ROBINSON: Yeah, I see them listed there.

SENATOR SCHELLPEPER: Yeah. But I don't know how many actual individuals there are.

SENATOR ROBINSON: What's the total dollars we're talking about?

SENATOR SCHELLPEPER: There's no new dollars added.
