

administrators, parents, and residents of South Sioux City, Nebraska. My congratulations to all the team members and coaches of the Lady Cardinals, and I am very proud to represent their district and honored to call their home of South Sioux City my home. Thank you.

SENATOR COORDSEN: Thank you, Senator Crosby...Senator Engel. Senator Crosby, did you wish to speak to this resolution?

SENATOR CROSBY: Yes, I do. Thank you. I seem to be talking a lot this morning, Mr. President, I'll try and do better the rest of the day.

SENATOR COORDSEN: And always delightfully.

SENATOR CROSBY: (Laughs) Thank you. I just have to talk about this one because, of course, South Sioux beat Pius X girls here in Lincoln. And that end, I will say, was breathtaking. And it was a very emotional scene after when they were all getting their medals, both teams, the ones...my team as runner up. But South Sioux, they did well. They have a wonderful team and so, of course, I will support, but I just wanted to mention, Pat, that I was watching. Thank you.

SENATOR COORDSEN: Thank you, Senator Crosby. Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you, Senator Coordsen. Senator Engel, I just wanted to let you and the Lady Cardinals know that my son and I, my older son, David, and I were watching that particular game. And I, you know, was with Lincoln Pius, and it was a tremendous, exciting game. And the upset was there, two seconds left, the three-point play goes in, and they win by one, the Lady Cardinals. But the only thing I wanted to say is one of the things my son stated at the time, he said, you really know the mark of a good champion, and that is when the chips are down, they somehow manage to win. And so there's no question, at least in our minds, that the Lady Cardinals were true indicators of what champions need to be. And it was a great, great game and they should all be very, very proud. Thank you, Mr. President.

SENATOR COORDSEN: Thank you, Senator Bernard-Stevens. Next resolution, Mr. Clerk.
