LB 1044A, 1044

CLERK: (Read record vote. See pages 1155-56 of the Legislative Journal.) 25 ayes, 14 nays on the advancement of LB 1044.

PRESIDENT ROBAK: LB 1044 advances. We turn now to LB 1044A.

CLERK: LB 1044A. I have E & R amendments first of all, Senator.

PRESIDENT ROBAK: The Chair recognizes Senator Maurstad.

SENATOR MAURSTAD: Madam President, I move to adopt the E & R amendments to LB 1044A.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before you is the E & R amendments to LB 1044A. All those in favor say aye. All those opposed nay. The amendments are adopted.

CLERK: Senator Wesely would move to amend with AM3672. (See pages 1156-57 of the Legislative Journal.)

PRESIDENT ROBAK: The Chair recognizes Senator Wesely to open on his amendment.

SENATOR WESELY: Thank you, Madam President and members. This is a amendment brought by Fiscal Office and through E & R some references were not correct in the A bill in terms of the cash funds identified and those corrections were made. And a couple were missed in the listing and so this basically corrects those inaccuracies. There's no additional funding or detracton of any funding in the A bill with this amendment or anything in the A bill itself. So with that I'd ask for adoption of the amendment.

PRESIDENT ROBAK: Thank you, Senator Wesely. Senator Arboud, to speak to the Wesely amendment.

SENATOR ARBOUD: Thank you, Madam President. Would Senator Wesely yield to a question?

PRESIDENT ROBAK: Senator Wesely.

SENATOR WESELY: Yes, sure.
