SENATOR WILL: You've heard the closing. The question before the body is the adoption of the Bernard-Stevens amendment to LB 1141. All those in favor vote aye, opposed no. Have you all voted? Mr. Clerk, please record.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of Senator Bernard-Stevens' amendment.

SENATOR WILL: The amendment is adopted. Next item on the bill.

CLERK: Senator Witek would move to amend, Mr. President.

SENATOR WILL: Senator Witek.

SENATOR WITEK: Thank you very much. I would like to thank Senator Bernard-Stevens for his amendment and moving 1046 into 1141, which was some of my objection to 1046 on consent calendar. I wanted to see these two issues together so that members of the body would be able to look at the issue in its entirety. And I appreciate him...his willingness to do so. I also appreciate his willingness to sunset the...to put a sunset on 1141, which you just adopted. And I also appreciate the Appropriations Committee for looking at this and noting in their recommendations that there will be a change in some of the appropriations in this area. Those were the concerns that I had on 1046 and they have all been addressed. And I will be supporting 1141, the advancement of 1141. So I will be pulling my amendment at this time. Thank you.

SENATOR WILL: The amendment is withdrawn. Anything else on the bill?

CLERK: I have nothing further on the bill, Mr. President.

SENATOR WILL: Senator Maurstad.

SENATOR MAURSTAD: Mr. President, I move to advance LB 1141 to E & R for engrossing.

SENATOR WILL: You've heard the motion. All those in favor say aye. Opposed no. The bill is advanced. LB 1141A.
