SENATOR VRTISKA: In other words, you can't have it painted on the street, it has to be somewhere where it can be seen.

SENATOR HARTNETT: Yeah.

SENATOR VRTISKA: I think that's a good idea because I found people who have gotten caught, when they found out that, in fact, there was some snow or something and didn't realize it. So it sounds to me like a good amendment. Appreciate it. Thank you.

SPEAKER WITHEM: Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members. I'd like to ask Senator Robinson a question if I might.

SPEAKER WITHEM: Senator Robinson, do you care to respond?

SENATOR SCHELLPEPER: Senator, I was to a function a while back and I pulled into it and I noticed that you were parked in a handicapped. I realize that you're handicapped, but I didn't know how you were handicapped.

SENATOR ROBINSON: You want to know my doctor?

SENATOR SCHELLPEPER: No, I'm just asking.

SENATOR ROBINSON: Well, if you want...I mean if you're trying to make fun of me I'll tell you who...

SENATOR SCHELLPEPER: No.

SENATOR ROBINSON: ...my doctor is that gave it to me. I don't think it's very funny.

SENATOR SCHELLPEPER: Well, I, I don't know how a person gets one. Senator Hartnett, how do you get a handicap permit? I guess that's my problem, I didn't know.

SENATOR HARTNETT: You go, you go with a...Senator Withem, am I on?

SPEAKER WITHEM: Senator Hartnett, yes.
