CLERK: (Read LB 1040 on Final Reading.)

SPEAKER WITHEM: All provisions of law relative to procedure having been complied with, the question is, shall LB 1040 pass? All of those in favor vote aye, opposed vote nay. All of you caring to vote, have you voted? Record, Mr. Clerk.

CLERK: (Read record vote. See pages 1259-60 of the Legislative Journal.) 45 ayes, 0 nays, 2 present and not voting, 2 excused and not voting.

SPEAKER WITHEM: LB 1040 passes. Mr. Clerk and members of the body, we will be returning to the one bill we passed over, LB 962E. Mr. Clerk.

CLERK: Senator Stuhr would move to return the bill for a specific amendment, AM3814. (See page 1260 of the Legislative Journal.)

SPEAKER WITHEM: Senator Stuhr.

SENATOR STUHR: Thank you, Mr. Speaker and members. You have before you a short amendment that we worked on this morning with the title and abstract people who had a concern about that possibly these assessments would not be in one location. What the amendment does is that this city of the second class or the village will file the notice of the assessment and the amount of the assessment being levied to the county register of deeds. They'll do that upon the assessment and then also file a release when the assessment has been paid, or the final payment received. So I think this removes the concerns from the title and abstract people. And I would ask for your support for the adoption of this amendment, thank you.

SPEAKER WITHEM: Thank you, Senator Stuhr. Any discussion on the motion to return? Seeing none, Senator, would you like to close? Closing's waived. The question is, shall LB 962 be returned to Select File for a specific amendment, that amendment being AM3814? All in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 40 ayes, 0 nays on the motion to return the bill,
