

reports are on file. That's all that I have, Mr. President. (See pages 1280-92 of the Legislative Journal.)

SPEAKER WITHEM: Thank you, Mr. Clerk. I'd like to announce that there are 100 civic students from Millard South High School in the north balcony along with their teachers. Could you stand to be recognized, please. And from Thurston County we have the assessor and the deputy assessor, Vivian Hartwig and Susie Schrieber sitting under the north balcony. Could you stand to be recognized. Senator Avery had also requested a point of personal privilege. This seems an appropriate time for that. Senator Avery.

SENATOR AVERY: Thank you, Mr. President. Today we...I passed out or had passed out some packets and, thanks to the traffic safety of the AAA, the sacks, but it doesn't have anything to do with speed limits or safety. It was just a thanks for that. But what the packet consists of is from the Nebraska Agri-Women, who are having a luncheon this Saturday in Sarpy County. This organization has been in existence in January 25th of 1978, is when the Nebraska affiliate was formed, and it's an organization or coalition of national farm and ranch women's organizations and individuals who are looking for the betterment and to promote agriculture as well as other resources in their states or in the country as it pertains to agriculture, legislation, taxes. There are several brochures and pamphlets in your packet that tells a little bit more about it, but I would hope you could enjoy this and look at some of the resources and the facts and share those with others in your communities and around the state. I'd like to thank, and I think they do a good job as well as many of the other organizations, but they're out there working to promote, Nebraska's chapter anyway, promote the resources that we have in the state. Thank you.

SPEAKER WITHEM: Thank you, Senator Avery. Mr. Clerk, LB 1085.
