

SENATOR COORDSEN: Thank you, Senator Chambers. You've heard the closing. A call of the house has been asked for. The question before the body is, shall the house go under call? Those in favor vote aye; those opposed nay. Record.

CLERK: 24 ayes, 0 nays to place the house under call.

SENATOR COORDSEN: The house is under call. Would the members who are not excused and not in the Chamber please report to the Chamber and record your presence. Will the members in the Chamber please check your desks and see that you've recorded your presence. The house is under call. Senator Lindsay, Senator Matzke, the house is under call. Senator Bromm, Senator Schellpeper, Senator Schrock, please report to the Chamber. The house is under call. Senator Engel, Senator Wesely, Senator Wickersham, please report to the Chamber. The house is under call. Senator Schellpeper, Senator Wickersham, the house is under call. Please report to the Chamber and record your presence. Senator Schellpeper, Senator Wickersham. Senator Wickersham, Senator Schellpeper, the house is under call. Please report to the Chamber and record your presence. Senator Wickersham is on his way...from Siberia. Senator Wickersham has now joined us. The issue before the body is the Chambers amendment to the committee amendments to LB 1189. A roll call vote has been requested. Mr. Clerk, call the roll.

CLERK: (Roll call vote taken. See page 1367 of the Legislative Journal.) 11 ayes, 26 nays, Mr. President.

SENATOR COORDSEN: The Chambers amendment is not adopted. Next item, Mr. Clerk. Raise the call.

CLERK: Mr. President, the next amendment I have is by Senator Wehrbein. Senator, Floor Amendment 547.

SENATOR COORDSEN: Senator Wehrbein, to open on your amendment.

SENATOR WEHRBEIN: Mr. Speaker, members, I was looking for the page number, 1276. This is the amendment the other day that Senator Lindsay read...ran taking out 350,000 dollars and had the wording in it for a study. I oppose taking out the 350,000 dollars. That ultimate...the whole amendment was ultimately...did ultimately fail, but this I have printed in the
