LB 1114

SPEAKER WITHEM: Time.

SENATOR KRISTENSEN: ..talk about that and make the decision "themselves".

SPEAKER WITHEM: Senator Maurstad.

SENATOR MAURSTAD: Thank you, Mr. President. If Senator Kristensen would respond to a question.

SPEAKER WITHEM: Senator Kristensen.

SENATOR KRISTENSEN: Yes.

SENATOR MAURSTAD: You mentioned that we have a three-year option here and I'm trying to look at, in the context of the amendment, it appears that the way that the amendment would change it we'd have two budget years. The first one would be '96-97.

SENATOR KRISTENSEN: Well, that's...

SENATOR MAURSTAD: Is that right?

SENATOR KRISTENSEN: You're talking about budget years, yes.

SENATOR MAURSTAD: Yeah. Okay. And the reason why we're making the change, because the way it was before would, in fact, given three budget years.

SENATOR KRISTENSEN: No. No.

SENATOR MAURSTAD: Would not have?

SENATOR KRISTENSEN: No.

SENATOR MAURSTAD: Okay.

SENATOR KRISTENSEN: No.

SENATOR MAURSTAD: Well, and maybe someone can take a moment and explain that to me when we're done here and then I'll have a better understanding of it, so I need to clear that up in my mind.
