

SENATOR VRTISKA: I won't take...I don't know that I have that but. it's available, is that right?

SENATOR KRISTENSEN: It's available. It was the one that got passed out at the briefing the other day.

SENATOR VRTISKA: Oh, well, I wasn't at that.

SENATOR KRISTENSEN: If not, I think we can probably get some of those to you.

SENATOR VRTISKA: Well, that would be helpful and I'll not take any more of your time. I appreciate your answers and I'll take a look at it. Thank you.

SENATOR WILL: Thank you, Senator Vrtiska. Senator Maurstad.

SENATOR MAURSTAD: Mr. President, if I could ask either Senator Warner or Senator Kristensen a couple of questions, just from a point of clarification at this time.

SENATOR WILL: Senator Kristensen.

SENATOR KRISTENSEN: Yes, Senator Maurstad.

SENATOR MAURSTAD: Senator, Section 6, 7, and 8 are all kind of interrelated and so you might be able to respond to the inquiry and I...this kind of follows up a little bit on Senator Wehrbein's questions and concerns. And, first of all, just clarify for me if the additional 5...5...the additional money from the sales tax in Section 6, that would be outside of or in addition to any other set-aside levy for interlocal agreements.

SENATOR KRISTENSEN: It's a special levy that would be over and above the levy limits and the voters would have to approve that special levy.

SENATOR MAURSTAD: Okay. And the other provisions in the other bills that deal with interlocal agreements are only funded by property taxes and...but relative to that, they could create this same type of a situation with those...with the provisions without doing the sales tax countywide? Is that right?
