

times. I do recall once and I recall a reference to it in the statute.

SENATOR WICKERSHAM: Okay. Well, yeah, it's the reference to a trust fund in the statute that I really wanted to ask you about because earlier when you had said or you'd made some reference to a trust, I was unsure what you were meaning, but again...

SENATOR BRASHEAR: It's in...it's in subsection (6) of...

SENATOR WICKERSHAM: Yeah.

SENATOR BRASHEAR: ..77-4927.

SENATOR WICKERSHAM: Yes, and that's where I find it also, but the language there says that the amounts that are withheld shall not be...shall not constitute part of the trust, whatever the trust is. So even if there was some sort of a trust that was to be held by the company out of which to take dollars and employ them for the purposes permitted by 829, subsection (6) expressly says that the amounts withheld from employees' checks are not part of the trust, whatever the trust is.

SENATOR BRASHEAR: That would be the withholding.

SENATOR WICKERSHAM: Yes. Well, it's confusing. It doesn't appear to me that if there is a trust that the withholding is ever part of the trust. Senator Brashear, again if you would be so kind, the last sentence of 77-4927 says, if any amount allowable as a wage benefit credit has been through error or otherwise improperly paid to the state, it shall be refunded to the person who paid it upon application for refund filed within three years after payment. Do you know if we have any program that notifies an individual that we're holding dollars that they're entitled to file a refund application for?

SENATOR BRASHEAR: Specifically under this statute, aside from unclaimed property?

SENATOR WICKERSHAM: Yes.

SENATOR BRASHEAR: I do not know.

SENATOR WICKERSHAM: Do you have any other ideas about how
