LB 29

would strongly oppose Senator Lindsay's amendment and would hope the body would not adopt it.

SENATOR COORDSEN: Thank you Senator Warner. No other lights on, Senator Lindsay, did you wish to close on your amendment?

SENATOR LINDSAY: Thank you Mr. President and members. Senator Warner is correct when he indicates the source of the funds, from which the funds would come under this amendment, but I think we also have to look at where do funds come from any institution and that is from the students. The question is not a question of whether students will pay for it. I don't think there are any questions students will pay for it, because if revenue is too low to cover expenses, as we all know what occurs is tuition gets increased. So I think the question of whether a student pays for it or not is really not the issue because that is going to happen regardless of how it occurs. That is going to happen that the students are going to pay for it. I think that to digress from the amendment, I concur with the...I mean I will be supporting the bill and support what Senator Warner is doing but I think it does illustrate a bad federal policy that I think is just simply unwise and not well thought out, but again something that this Legislature has to go through with simply because of the hammer that is held over us. With that I would urge the adoption of the amendment.

SENATOR COORDSEN: Thank you, Senator Lindsay. You have heard the closing. The question before the body is the adoption of the Lindsay amendment to LB 29. Those in favor please vote aye, those opposed nay. We are voting on the Lindsay amendment. If you care to vote, please do so. Senator Lindsay.

SENATOR LINDSAY: Mr. President, we are not getting much movement, I would ask for a call of the house and a roll call vote.

SENATOR COORDSEN: There has been a request for a call of the house. All those in favor of placing the house under call please vote aye, those opposed nay. Record, Mr. Clerk.

CLERK: 21 ayes, 0 nays Mr. President to place the house under call.

SENATOR COORDSEN: The house is under call. Will the members
