

front of me, thank you. I'd move the adoption of the amendment. It just clarifies that the elected official should be a member of the governing board, from each of those political subdivisions. I'd ask that amendment be adopted. It's not substantive.

PRESIDENT ROBAK: Thank you, Senator Warner. Senator Hillman, do you wish to speak to the Warner amendment to the Warner amendment to LB 1114? Senator Hillman.

SENATOR HILLMAN: Yes. Madam President, members, I think it's important that we realize why the change and why the amendment here in that what we're looking for on this committee, which I fully support, it's only one of many things I think that we're going to need to do to help facilitate the kind of changes we want to see on a local level, and would hope that there would be more things in the future that we could do to assist. But this would basically...the way it read before, it was any county official. If it were an administrative official, there would be...if they chose not to go, they wouldn't have to go. The fact that they were appointed didn't mean that they would have to attend, and I think it's important that you have as a part of this committee one of the governing board, one of the policymakers in the county to represent the county, and that's why I would support the Warner amendment to the amendment.

PRESIDENT ROBAK: Thank you, Senator Hillman. Senator Kristensen, to speak to the Warner amendment to the Warner amendment. Senator Beutler, to speak to the Warner amendment to the Warner amendment.

SENATOR BEUTLER: No.

PRESIDENT ROBAK: Senator Wickersham, to speak to the Warner amendment to the Warner amendment. Seeing no further lights, Senator Warner, to close. Excuse me, Senator Robinson, did you wish to speak? No. Senator Warner, to close on the Warner amendment to the Warner amendment to LB 1114. Closing is waived. The question before the body is the adoption of the Warner amendment to the Warner amendment to LB 1114. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK. 25 ayes, 0 nays, Madam President, on adoption of Senator Warner's amendment to his amendment.
