SPEAKER WITHEM: All provisions of law relative to procedure having been complied with, the question is, shall LB 700 pass with the emergency clause attached? All of those in favor vote aye, all opposed vote no. Have all of you wishing to vote voted? Record, Mr. Clerk.

CLERK: (Read record vote. See pages 1831-32 of the Legislative Journal.) 42 ayes, 1 nay, 2 present not voting, 4 excused and not voting.

SPEAKER WITHEM: LB 700 passes with the emergency clause attached. While we have people in their seats and relatively attentive to what is happening in the Chamber, I'd like to make an announcement about the agenda today so that you are not taken by surprise later on. Typically this time of session if we have bills that are...for which there are no motions pending, we, at the close of the business day, will move to those and see if they can be advanced with a voice vote and a minimal of time taken. I'd like to read those bills that currently are on the agenda that do not at this time have any motions and at the close of the business day or some time toward the end of the day we will be moving toward those bills if any of them still remain without motions attached at that time. Those motions at this time are: LB 1055A, you will find that bill at the beginning of the Select File list; LB 1373A, and all of these are over on the second page contained within the Select File list; LB 1201; LB 1188; LB 1188A; LB 1174; LB 1230; LB 1211; LB 1211A; LB 465; LB 465A; and LB 1255. At this point, none of those bills have amendments and sometime toward the close of the business day we will be moving toward motions to advance on those. Mr. Clerk, would you read LB 700A.

CLERK: (Read LB 700A on Final Reading.)
