

of the amendment would be okay. So for that.... But I would ask that the body adopt the April 1st date so it does commence with the (inaudible) projects in anticipation of the date that were not otherwise planned to occur.

SPEAKER WITHEM: Thank you, Senator Warner. We are now debating the Warner amendment to the Janssen amendment. Senator Robinson, did you wish to speak to the Warner amendment?

SENATOR ROBINSON: Mr. President, members of the body, I stand to support the Warner amendment and likewise the amendment submitted by Senator Janssen. So I presume that, if Senator Warner changed that date, that he supports that amendment. Would that be correct, Senator Warner?

SENATOR WARNER: That portion of the...

SENATOR ROBINSON: Right.

SENATOR WARNER: ...amendment. I have another amendment that...

SENATOR ROBINSON: On the lower part?

SENATOR WARNER: No, upper part.

SENATOR ROBINSON: Okay, okay, thank you.

SENATOR CROSBY PRESIDING

SENATOR CROSBY: Thank you, Senator Robinson. I'm sorry, we were changing here. Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Madam President, members of the Legislature. Senator Janssen, I need to make sure I understand, and I want to focus on the center part. There are three parts, for members who are following along, to this amendment. One is that you exclude from those levy limitations sums to be paid by a school district when you have an exchange for voluntary terminations. The second part though deals with Special Building Funds and sinking funds established for projects commenced prior to July 19th of '96. Senator Janssen, I want to make sure I understand what we're doing with the sinking funds. When you say the words, sinking funds established for projects commenced prior to July 19th, are we talking about a fund that
