

wouldn't have any problem of letting the Exec Board, in their integrity, to set up the people to be on this committee. I do believe it would be very important, though, that someone from the Education Committee and the Government Committee and the Urban Affairs Committee where most of these mandates are coming from, they would certainly have to be on there and someone from that field, from the education community, the government community and so on. With that, that's about all I have to say and thank you.

SENATOR BERNARD-STEVENS: Thank you, Senator Janssen. Senator Witek.

SENATOR WITEK: I was going to call the question.

SENATOR BERNARD-STEVENS: Are you calling the question?

SENATOR WITEK: I will call the question.

SENATOR BERNARD-STEVENS: The question has been called. Do I see five hands? I do see five hands. The question is shall debate cease? All those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 6 ayes, 9 nays to cease debate.

SENATOR BERNARD-STEVENS: Debate does not cease. The Chair recognizes Senator Avery.

SENATOR AVERY: Thank you, Mr. President. I punched my light I guess to help take up a little bit of the time here that they are working on. I, just a little bit in reference to the idea that Senator Chambers brought up, and I think it's important because there's a lot of other members in here that we don't have enough Chairs so everybody can be chiefs. There are those of us that are...others that serve that have some good qualities that need and can provide a lot of input in committees and task forces like this as well. So I think it is important that we look for people and individuals and allow the Exec Board or identify some of the others that can serve on committees and task forces and utilize some of their talents in finding and solving some of the problems and looking for good solutions to the situations. I, unfortunately, didn't...in the bill book didn't have...what page was the amendment on? Was this a floor
