LB 1059, 1155

SENATOR CROSBY: But did you want me to give them all my things against 1059?

SENATOR CROSBY: Okay. I just want to be sure what I'm voting for on this amendment because the numbers are a little confusing.

SENATOR MAURSTAD: Yeah.

SENATOR CROSBY: So, Senator Wesely, are you sure I'm safe, because you and Maurstad have something together here?

SENATOR WESELY: Yeah (laughs).

SENATOR CROSBY: Well, I'm not so sure. You see, when unholy alliances come along, I'm always a little concerned.
