

than just automatically throwing it out and see what we can do about the potential problem with kegs, which I would assume is still there, even though maybe this method of getting at the issue is not as effective as we thought, there has to be something. And I would not have voted for 4434 without this amendment of Landis' which strikes Section 14. So I do support striking.

PRESIDENT ROBAK: Thank you, Senator Wehrbein. Senator Robak, to speak to the Landis amendment.

SENATOR ROBAK: Thank you, Madam President, members of the body. I don't wish to speak to the Landis amendment anymore because my comments are moot. I was going to respond to Senator Witek's...beings she mentioned the fact the four teenagers were killed in my hometown. I certainly don't approve of minors drinking. I don't believe in minors drinking and driving, but they were not at a keg party that night. And I'm upset that it was brought up today.

PRESIDENT ROBAK: Thank you, Senator Robak. Senator Pedersen, to speak to the Landis amendment.

SENATOR PEDERSEN: Madam President, members of the Legislature, very quickly, I do support the Landis amendment. Young people get liquor from those people who are old enough to buy it and those that are old enough to sell it. Two different times I've carried a bill, it was killed in a committee, says you have to be 21 years old to sell it. You only have to be 19 in this state. Answer yourselves, when you were 19 and 20 and your friends came in, who would you sell to? Thank you.

PRESIDENT ROBAK: Thank you, Senator Pedersen. Senator Pirsch, to speak to the Landis amendment.

SENATOR PIRSCH: Only to thank Senator Landis for amending his bill to take it out, and I support that.

PRESIDENT ROBAK: Thank you, Senator Pirsch. Senator Schmitt, to speak to the Landis amendment. Any further discussion on the Landis amendment? Seeing none, Senator Landis to close. The closing is waived. The question before you is the adoption of the Landis amendment to AM4434. All those in favor vote aye; all those opposed vote nay. Have you all voted? Please record.
