PRESIDENT ROBAK: The Lindsay amendment fails. I raise the call. We return to a discussion of AM4434. Senator Landis.

SENATOR LANDIS: Is...are there any other lights on? Am I authorized to close?

PRESIDENT ROBAK: One...two lights, Senator.

SENATOR LANDIS: I'll pass.

PRESIDENT ROBAK: Senator Robinson. Senator Lindsay.

SENATOR LINDSAY: Madam President, if I could inquire, does the Clerk have an amendment on the desk to AM4434? Should be with a motion to suspend the rules to allow it. If I could waive off for right now so I can check the amendment, Madam President.

PRESIDENT ROBAK: Senator Landis.

SENATOR LANDIS: Thank you. I move to call the question.

PRESIDENT ROBAK: Excuse me, Senator. There is an amendment that was on the Clerk's desk. Mr. Clerk.

ASSISTANT CLERK: Senator Lindsay would offer AM4438.

PRESIDENT ROBAK: Chair recognizes Senator Lindsay to open on his amendment.

SENATOR LINDSAY: Thank you. Thank you, Madam President. Members, there are two...I guess if I could ask the Chair about whether the suspension motion should come up first or whether the amendment should come up first.

PRESIDENT ROBAK: The suspension motion should come up first, Senator.

SENATOR LINDSAY: Thank you.

PRESIDENT ROBAK: You're moving to suspend the rules?

SENATOR LINDSAY: Yes.
