

Robinson, I am grateful that you have not stolen my lapel pin and made me a victim. And I might mention that this is of the state seal of the state of Nebraska, which I am very proud of, and it is just brand new in our own Spirit of the Prairie gift shop here in the State Capitol. So, Senator Robinson, if you'd like to buy your own, you can go down there and get it. With that, I will conclude by thanking all of the introducers of all of the resolutions and the people who have brought forward the recognition that they have, and, Senator Robak, you must be very proud of having that young man win, again, a tribute to the quality of education that we do have in our state, and, Senator Crosby, with the quality that we have in our own Great Plains Department at the University, and the books and the things that they have done to help to promote the state. I think we have a wonderful state, we can be proud of the state, itself, we can be proud of the people here, and, Senator McKenzie, I would be remiss without also acknowledging your good efforts and also "Doc" Edgerton, who you and Senator Bud Robinson, who are also recognizing. So now that I think I've covered all of the resolutions, I will conclude with thank you, and relinquish the remainder of my time.

SPEAKER WITHEM: Thank you. Senator Pedersen.

SENATOR PEDERSEN: Mr. President, members of the Legislature, I, too, support all of the resolutions, and want to especially thank Senator Pirsch for bringing the one, 464 on the victims, victims of crime rights week, and remind you all that not just the victims that have been held up, beat up, and hurt, and things taken from, there is also a lot of other victims out there like mothers and fathers and brothers and sisters of these people who have screwed up and made bad choices that have ended up victims too. I don't want them to take away from the victim that was actually perpetrated against, but there is lots of victims out there, and I really commend Senator Pirsch for bringing this to us. Thank you.

SPEAKER WITHEM: Thank you. With that, we will proceed to vote on the adoption of the package of resolutions. All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the adoption of the resolutions.
