

LEGISLATIVE BILL 228

Approved by the Governor February 24, 1999

Introduced by Bromm, 23

AN ACT relating to tort claims; to amend sections 13-910 and 81-8,219, Reissue Revised Statutes of Nebraska; to provide for political subdivision and state liability for certain claims; to repeal the original sections; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 13-910, Reissue Revised Statutes of Nebraska, is amended to read:

13-910. The Political Subdivisions Tort Claims Act and sections 16-727, 16-728, 23-175, 39-809, and 79-610 shall not apply to:

(1) Any claim based upon an act or omission of an employee of a political subdivision, exercising due care, in the execution of a statute, ordinance, or officially adopted resolution, rule, or regulation, whether or not such statute, ordinance, resolution, rule, or regulation is valid;

(2) Any claim based upon the exercise or performance of or the failure to exercise or perform a discretionary function or duty on the part of the political subdivision or an employee of the political subdivision, whether or not the discretion is abused;

(3) Any claim based upon the failure to make an inspection or making an inadequate or negligent inspection of any property other than property owned by or leased to such political subdivision to determine whether the property complies with or violates any statute, ordinance, rule, or regulation or contains a hazard to public health or safety unless the political subdivision had reasonable notice of such hazard or the failure to inspect or inadequate or negligent inspection constitutes a reckless disregard for public health or safety;

(4) Any claim based upon the issuance, denial, suspension, or revocation of or failure or refusal to issue, deny, suspend, or revoke any permit, license, certificate, or order. Nothing in this subdivision shall be construed to limit a political subdivision's liability for any claim based upon the negligent execution by an employee of the political subdivision in the issuance of a certificate of title under sections 37-1278 to 37-1279, 37-1282, 37-1283, 60-110 to 60-112, and 60-129 to 60-131;

(5) Any claim arising with respect to the assessment or collection of any tax or fee or the detention of any goods or merchandise by any law enforcement officer;

(6) Any claim caused by the imposition or establishment of a quarantine by the state or a political subdivision, whether such quarantine relates to persons or property;

(7) Any claim arising out of assault, battery, false arrest, false imprisonment, malicious prosecution, abuse of process, libel, slander, misrepresentation, deceit, or interference with contract rights;

(8) Any claim by an employee of the political subdivision which is covered by the Nebraska Workers' Compensation Act;

(9) Any claim arising out of the malfunction, destruction, or unauthorized removal of any traffic or road sign, signal, or warning device unless it is not corrected by the political subdivision responsible within a reasonable time after actual or constructive notice of such malfunction, destruction, or removal. Nothing in this subdivision shall give rise to liability arising from an act or omission of any political subdivision in placing or removing any traffic or road signs, signals, or warning devices when such placement or removal is the result of a discretionary act of the political subdivision;

(10) Any claim arising out of snow or ice conditions or other temporary conditions caused by nature on any highway as defined in section 60-624, bridge, public thoroughfare, or other public place due to weather conditions. Nothing in this subdivision shall be construed to limit a political subdivision's liability for any claim arising out of the operation of a motor vehicle by an employee of the political subdivision while acting within the course and scope of his or her employment by the political subdivision;

(11) Any claim arising out of the plan or design for the construction of or an improvement to any highway as defined in such section or bridge, either in original construction or any improvement thereto, if the plan or design is approved in advance of the construction or improvement by

the governing body of the political subdivision or some other body or employee exercising discretionary authority to give such approval; or

(12) Any claim arising out of the alleged insufficiency or want of repair of any highway as defined in such section, bridge, or other public thoroughfare. Insufficiency or want of repair shall be construed to refer to the general or overall condition and shall not refer to a spot or localized defect. A political subdivision shall be deemed to waive its immunity for a claim due to a spot or localized defect only if the political subdivision has had actual or constructive notice of the defect within a reasonable time to allow repair prior to the incident giving rise to the claim.

Sec. 2. Section 81-8,219, Reissue Revised Statutes of Nebraska, is amended to read:

81-8,219. The State Tort Claims Act shall not apply to:

(1) Any claim based upon an act or omission of an employee of the state, exercising due care, in the execution of a statute, rule, or regulation, whether or not such statute, rule, or regulation is valid, or based upon the exercise or performance or the failure to exercise or perform a discretionary function or duty on the part of a state agency or an employee of the state, whether or not the discretion is abused;

(2) Any claim arising with respect to the assessment or collection of any tax or fee, or the detention of any goods or merchandise by any law enforcement officer;

(3) Any claim for damages caused by the imposition or establishment of a quarantine by the state whether such quarantine relates to persons or property;

(4) Any claim arising out of assault, battery, false imprisonment, false arrest, malicious prosecution, abuse of process, libel, slander, misrepresentation, deceit, or interference with contract rights;

(5) Any claim by an employee of the state which is covered by the Nebraska Workers' Compensation Act;

(6) Any claim based on activities of the Nebraska National Guard when such claim is cognizable under the federal Tort Claims Act, 28 U.S.C. 2674, or the National Guard Tort Claims Act of the United States, 32 U.S.C. 715, or when such claim accrues as a result of active federal service or state service at the call of the Governor for quelling riots and civil disturbances;

(7) Any claim based upon the failure to make an inspection or making an inadequate or negligent inspection of any property other than property owned by or leased to the state to determine whether the property complies with or violates any statute, ordinance, rule, or regulation or contains a hazard to public health or safety unless the state had reasonable notice of such hazard or the failure to inspect or inadequate or negligent inspection constitutes a reckless disregard for public health or safety;

(8) Any claim based upon the issuance, denial, suspension, or revocation of or failure or refusal to issue, deny, suspend, or revoke any permit, license, certificate, or order. Such claim shall also not be filed against a state employee acting within the scope of his or her office. Nothing in this subdivision shall be construed to limit the state's liability for any claim based upon the negligent execution by a state employee in the issuance of a certificate of title under sections 37-1278 to 37-1279, 37-1282, 37-1283, 60-110 to 60-112, and 60-129 to 60-131;

(9) Any claim arising out of the malfunction, destruction, or unauthorized removal of any traffic or road sign, signal, or warning device unless it is not corrected by the governmental entity responsible within a reasonable time after actual or constructive notice of such malfunction, destruction, or removal. Nothing in this subdivision shall give rise to liability arising from an act or omission of any governmental entity in placing or removing any traffic or road signs, signals, or warning devices when such placement or removal is the result of a discretionary act of the governmental entity;

(10) Any claim arising out of snow or ice conditions or other temporary conditions caused by nature on any highway as defined in section 60-624, bridge, public thoroughfare, or other state-owned public place due to weather conditions. Nothing in this subdivision shall be construed to limit the state's liability for any claim arising out of the operation of a motor vehicle by an employee of the state while acting within the course and scope of his or her employment by the state;

(11) Any claim arising out of the plan or design for the construction of or an improvement to any highway as defined in such section or bridge, either in original construction or any improvement thereto, if the plan or design is approved in advance of the construction or improvement by the governing body of the governmental entity or some other body or employee exercising discretionary authority to give such approval; or

(12) Any claim arising out of the alleged insufficiency or want of repair of any highway as defined in such section, bridge, or other public thoroughfare. Insufficiency or want of repair shall be construed to refer to the general or overall condition and shall not refer to a spot or localized defect. The state shall be deemed to waive its immunity for a claim due to a spot or localized defect only if the state has had actual or constructive notice of the defect within a reasonable time to allow repair prior to the incident giving rise to the claim.

Sec. 3. Original sections 13-910 and 81-8,219, Reissue Revised Statutes of Nebraska, are repealed.

Sec. 4. Since an emergency exists, this act takes effect when passed and approved according to law.
