

LEGISLATIVE BILL 574

Approved by the Governor April 28, 1999

Introduced by Jensen, 20

AN ACT relating to tobacco product manufacturers; to hold accountable manufacturers not signing the Master Settlement Agreement; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. For purposes of this act:

(1) Adjusted for inflation means increased in accordance with the formula for inflation adjustment set forth in Exhibit C to the Master Settlement Agreement;

(2) Affiliate means a person that directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another person. Solely for purposes of this subdivision, the terms owns, is owned, and ownership means ownership of an equity interest, or the equivalent thereof, of ten percent or more, and the term person means an individual, partnership, committee, association, corporation, or any other organization or group of persons;

(3) Allocable share means allocable share as that term is defined in the Master Settlement Agreement;

(4) Cigarette means any product that contains nicotine, is intended to be burned or heated under ordinary conditions of use, and consists of or contains (a) any roll of tobacco wrapped in paper or in any substance not containing tobacco; (b) tobacco, in any form, that is functional in the product, which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette; or (c) any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette described in clause (a) of this subdivision. The term cigarette includes roll-your-own tobacco (i.e., any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). For purposes of this definition, nine hundredths of an ounce of roll-your-own tobacco shall constitute one individual cigarette;

(5) Master Settlement Agreement means the settlement agreement entered into on November 23, 1998 between the state and specific United States tobacco product manufacturers and related documents to such agreement;

(6) Qualified escrow fund means an escrow arrangement with a federally or state-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least one billion dollars where such arrangement requires that such financial institution hold the escrowed funds' principal for the benefit of releasing parties and prohibits the tobacco product manufacturer that places such funds into escrow from using, accessing, or directing the use of the funds' principal except as consistent with subdivision (2)(b) of section 2 of this act;

(7) Released claims means released claims as that term is defined in the Master Settlement Agreement;

(8) Releasing parties means releasing parties as that term is defined in the Master Settlement Agreement;

(9) Tobacco product manufacturer means an entity that after the effective date of this act directly and not exclusively through any affiliate:

(a) Manufactures cigarettes anywhere that such manufacturer intends to be sold in the United States, including cigarettes intended to be sold in the United States through an importer (except when such importer is an original participating manufacturer (as that term is defined in the Master Settlement Agreement) that will be responsible for the payments under the Master Settlement Agreement with respect to such cigarettes as a result of the provisions of subsection II(mm) of the Master Settlement Agreement and that pays the taxes specified in subsection II(z) of the Master Settlement Agreement, and provided that the manufacturer of such cigarettes does not market or advertise such cigarettes in the United States);

(b) Is the first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or

(c) Becomes a successor of an entity described in subdivision (9)(a)

or (9)(b) of this section.

The term tobacco product manufacturer does not include an affiliate of a tobacco product manufacturer unless such affiliate itself falls within any of subdivisions (9)(a) through (9)(c) of this section; and

(10) Units sold means the number of individual cigarettes sold in the state by the applicable tobacco product manufacturer, whether directly or through a distributor, retailer, or similar intermediary or intermediaries, during the year in question, as measured by excise taxes collected by the state on packs or roll-your-own tobacco containers bearing the excise tax stamp of the state. The Tax Commissioner shall adopt and promulgate such rules and regulations as are necessary to ascertain the amount of state excise tax paid on the cigarettes of such tobacco product manufacturer for each year.

Sec. 2. Any tobacco product manufacturer selling cigarettes to consumers within the state, whether directly or through a distributor, retailer, or similar intermediary or intermediaries, after the effective date of this act shall do one of the following:

(1) Become a participating manufacturer, as that term is defined in section II(jj) of the Master Settlement Agreement, and generally perform its financial obligations under the Master Settlement Agreement; or

(2)(a) Place into a qualified escrow fund by April 15 of the year following the year in question the following amounts, as such amounts are adjusted for inflation:

(i) 1999: \$.0094241 per unit sold after the effective date of this act;

(ii) 2000: \$.0104712 per unit sold;

(iii) For each of the years 2001 and 2002: \$.0136125 per unit sold;

(iv) For each of the years 2003, 2004, 2005, and 2006: \$.0167539 per unit sold; and

(v) For the year 2007 and each year thereafter: \$.0188482 per unit sold.

(b) A tobacco product manufacturer that places funds into escrow pursuant to subdivision (2)(a) of this section shall receive the interest or other appreciation on such funds as earned. Such funds shall be released from escrow only under the following circumstances:

(i) To pay a judgment or settlement on any released claim brought against such tobacco product manufacturer by the state or any releasing party located or residing in the state. Funds shall be released from escrow under this subdivision (2)(b)(i) in the order in which they were placed into escrow and only to the extent and at the time necessary to make payments required under such judgment or settlement;

(ii) To the extent that a tobacco product manufacturer establishes that the amount it was required to place into escrow in a particular year was greater than the state's allocable share of the total payments that such manufacturer would have been required to make in that year under the Master Settlement Agreement (as determined pursuant to section IX(i)(2) of the Master Settlement Agreement, and before any of the adjustments or offsets described in section IX(i)(3) of that agreement other than the Inflation Adjustment) had it been a participating manufacturer, the excess shall be released from escrow and revert back to such tobacco product manufacturer; or

(iii) To the extent not released from escrow under subdivisions (2)(b)(i) or (2)(b)(ii) of this section, funds shall be released from escrow and revert back to such tobacco product manufacturer twenty-five years after the date on which they were placed into escrow.

(c) Each tobacco product manufacturer that elects to place funds into escrow pursuant to subdivision (2) of this section shall annually certify to the Attorney General that it is in compliance with subdivision (2) of this section. The Attorney General may bring a civil action on behalf of the state against any tobacco product manufacturer that fails to place into escrow the funds required under this section. Any tobacco product manufacturer that fails in any year to place into escrow the funds required under this section shall:

(i) Be required within fifteen days to place such funds into escrow as shall bring the manufacturer into compliance with this section. The court, upon a finding of a violation of subdivision (2) of this section, may impose a civil penalty in an amount not to exceed five percent of the amount improperly withheld from escrow per day of the violation and in a total amount not to exceed one hundred percent of the original amount improperly withheld from escrow;

(ii) In the case of a knowing violation, be required within fifteen days to place such funds into escrow as shall bring the manufacturer into compliance with this section. The court, upon a finding of a knowing violation of subdivision (2) of this section, may impose a civil penalty in an

amount not to exceed fifteen percent of the amount improperly withheld from escrow per day of the violation and in a total amount not to exceed three hundred percent of the original amount improperly withheld from escrow. Such civil penalty shall be disposed of in accordance with Article VII, section 5, of the Constitution of Nebraska; and

(iii) In the case of a second knowing violation, be prohibited from selling cigarettes to consumers within the state, whether directly or through a distributor, retailer, or similar intermediary, for a period not to exceed two years.

Each failure to make an annual deposit required under this section constitutes a separate violation.

Sec. 3. Since an emergency exists, this act takes effect when passed and approved according to law.
