

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

January 26, 1999 LB 113

the...scare me to pieces, and I'm not going to support this bill in this kind of a slipshod operation. It doesn't look good to me. I think we need to ask more questions and find out what's going on. The consistency is a big thing between the two departments. At this point, it's all right because we got ours in both offices, but DAS...who is going to be in charge? One of the two offices is going to have to be in charge, and I would see DAS probably as being that one, but I know it's been brought in by the Treasurer. I haven't even talked to the Treasurer about this bill, but after looking it over, overnight, it's a little bit scary for me. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator. Before we proceed, Mr. Clerk.

CLERK: Mr. President, Senator Schrock would like to have a meeting of Natural Resources now, a brief meeting now in Room 2022.

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. The Chair recognizes Senator Wehrbein on the committee amendments of LB 113.

SENATOR WEHRBEIN: Yes, Mr. President, members of the body, I, too, have a couple of questions, although I have been visiting with the State Treasurer about this and have been somewhat assured of some issues I have. Senator Schimek, I'd like...may I ask Senator Schimek a question, please?

PRESIDENT MAURSTAD: Senator Schimek, would you yield?

SENATOR SCHIMEK: Yes.

SENATOR WEHRBEIN: What kind of proposal are you saying that you're looking at for Select File?

SENATOR SCHIMEK: Well, candidly, some proposal that would require that counties, for instance, local subdivisions have some rules and regs in place, some authorization procedures for use of these cards. I think that's very important. I think sometimes we make assumptions that that will happen and, by and large, it does happen, but there may be instances where abuse could happen. And I think it would be better to address that up
