counties in different ways. Some counties are larger and some counties have more capacity. Some counties have more goings on. In Buffalo County, Dawson County, we have buildings we operate around the...year-round. Right now, we have the Cattlemen's Classic going on in Buffalo County. It's just a great...it's a great function for the city, for the county and without it, why, these many activities could not absolutely go on the way they're currently going on, and it's a big part of our...the counties that I come from. I'm not speaking for all counties but the ag societies and the county board or county fairs are a big deal, not only in months of July when that week of the 4-H and so on, but year-round, and without them we'd be lost. And so I urge you to support the committee amendments and the bill. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator. The Chair recognizes Senator Chambers.

SENATOR CHAMBERS: Thank you, Mr. President and members of the Legislature and Wizards all. Senator "Wizard", I have to ask you another question.

PRESIDENT MAURSTAD: Senator Wickersham.

SENATOR WICKERSHAM: Yes.

SENATOR CHAMBERS: This bill enables these various associations or organizations to become political subdivisions. Is that true?

SENATOR WICKERSHAM: Yes.

SENATOR CHAMBERS: Would every one of these three possibilities be eligible to become a political subdivision?

SENATOR WICKERSHAM: No.

SENATOR CHAMBERS: Which ones could and which could not?

SENATOR WICKERSHAM: The appointed county fair board and the elected county fair board.
