

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

March 3, 1999

CLERK: It's the confirmation report for Dayle Williamson.

SENATOR SCHROCK: Dayle Williamson. Okay, you caught me unprepared this morning. I have known Dayle for some time. I served on the Natural Resources Commission from the years 1986 to 1990, and the Natural Resources Committee had a hearing and we did move the confirmation to the floor of the Legislature.

SPEAKER KRISTENSEN: Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, because I have spoken at some length on my reasons for voting against these nominations, I will not speak at length this morning, but I will point out that I'm following my practice of voting no on these nominations. And, Senator Schrock, if the gentleman is not aware of my practice this session, you can let him know that the vote has nothing to do with him nor is it designed to disparage the qualifications he may have. Tell him he's in what other people might consider to be very august company because all of them have been given the same treatment by me this session.

SPEAKER KRISTENSEN: Further debate on the confirmation report. Senator Schrock, you're recognized to close. He waives closing. The question before the body is the adoption of the confirmation report from the Natural Resources Committee. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 30 ayes, 1 nay, Mr. President, on the adoption of the Natural Resources Committee confirmation report.
