

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 11, 1999

Committee or this Legislature because they would have stood up and said, we don't believe in these mandates and Senator Chambers already told us, even though he disagreed with it, that God meant for women to suffer and, by God, that epidural is designed to frustrate the will of God that women suffer. But thank goodness for that old, ungodly Congress, or whatever federal bureaucrat is responsible for that humane decision that never should have had to be done by way of a governmental mandate.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. Senator Janssen, you're recognized to close. Senator Janssen waives closing. The question before us is the adoption of the Government Committee confirmation report. Those in favor vote aye; those opposed nay. Have you all voted? Please record.
