

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

March 22, 1999      LB 72, 149, 427  
                         LR 54

the estimates, we do not have the predictability, we do not have any of those issues with the money coming in off of automobile taxes, and I want to tell you next December 1 we will have not, not done anything to correct the errors and we will have a very, very unfortunate situation and probably back in a special session. And so I do think it is very necessary. It's not anything any of us enjoy and this is only one issue. This is not the whole session. This is one issue where we, in the Legislature, happen to have a different opinion than the Governor. It's nothing more than that. And for many of us, it started in 1997 and today may very possibly be our seventh vote in support of this policy. For the others of you who are here, today will be your fourth vote on this policy. And so I think that you have said in the past what you think is important and I hope very much that you will continue and to reaffirm those votes. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Bohlke. Question before us is the motion to override the Governor's veto on LB 149. Mr. Clerk, please read the roll. Request has been made by Senator Suttle for reverse order.

CLERK: (Roll call vote taken. See page 1125 of the Legislative Journal.) 39 ayes, 7 nays on the motion that LB 149 become law notwithstanding the objections of the Governor.

PRESIDENT MAURSTAD: The motion is successful. Mr. Clerk, items for the record.

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 72 as correctly engrossed. New resolution, LR 54 by Senator Raikes. (Read brief description.) And I have amendments from Senator Bromm to be printed. (Re LB 427. See pages 1126-1127 of the Legislative Journal.)

PRESIDENT MAURSTAD: Members, while we're in session and capable of transacting business, I will sign a certificate indicating LB 149, having been returned by the Governor with his objections hereto and, after reconsideration, having passed the Legislature by a constitutional majority, has become law this twenty-second day of March 1999. Mr. Clerk.
