

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 30, 1999 LB 704

an antiquated statute seems to say that the Director of Correctional Services, and I think it's also broad enough that it talks about a mental...an institution for the mentally ill. If a person enters that facility, the director is supposed to confiscate their license, and then return it to them when they are released. The entire statute is being repealed, because I think the...whether or not you have a driver's license should not depend upon whether you're institutionalized. And so I urge the body to support this. And again I would say if this has other consequences that Senator Chambers and I, either one, are aware of, I'll be more than happy to revisit this on Select, if that should be the case, so....

SENATOR CHAMBERS: Any time left on my....

SENATOR BROMM: If Senator Chambers wants any time of my closing, I could yield him some time from my closing.

SPEAKER KRISTENSEN: Senator Chambers, you have approximately four minutes left of the closing.

SENATOR CHAMBERS: I just wanted to ask one question. And you all can thank Senator Ray Janssen for this. Senator Bromm, I have a question to ask you.

SENATOR BROMM: Is this coming from Senator Janssen, or from you?

SENATOR CHAMBERS: Yes, from Senator Janssen through me.

SENATOR BROMM: No, I won't, I won't answer. (Laughter.) Yes, I will.

SENATOR CHAMBERS: Once this repealer takes place, if a person does happen to escape from prison and is driving a car, at least he or she will not be charged with driving under a suspended license, right? (Laughter.)

SENATOR BROMM: That's a good point, that's right.

SPEAKER KRISTENSEN: You've heard the closing. The question before the body is the adoption of FA80, which is the final
