the floor in several conversations that he will bring myself, representatives from the Department of Education, early childhood intervention specialists that are...are being funded under MIPS at this time, representatives of nursing organizations that have had some concerns, that he will bring us together between now and Select File to make certain that we do have the language in this bill that everybody is going to be...going to be content with. So I want to stand to commend Senator Pederson, but I also want the body to know that there is some fine tuning that I feel that I would like to see done to the bill and I just want a matter of record and Senator Pederson, will you yield to a question, please?

SENATOR BOHLKE: Senator Pederson?

SENATOR D. PEDERSON: Yes.

SENATOR BYARS: Thank you, Senator Pederson. If we have agreed that we have several small disagreements and we are going to work together to fine tune this piece of legislation between now and General and Select File, correct?

SENATOR D. PEDERSON: That's correct, and in fact...

SENATOR BOHLKE: One minute.

SENATOR D. PEDERSON: ...through my office we have been working since our visit with the Department of Education. I think we have some amending language that will resolve the concern that you have so there's no overlapping of the programs.

SENATOR BYARS: Thanks, Senator Pederson. Thanks, Senator Bohlke, and, again, I would urge everyone to look at this legislation carefully because it is complex, but I think you can be very trusting of Senator Pederson, in his motives and truly wanting to access additional Medicaid dollars for the school districts and for special need students. Thank you, Senator.

SENATOR BOHLKE: Thank you, Senator Byars. Senator Suttle, on the amendment to the amendment.

SENATOR SUTTLE: Thank you, Madam President, members of the
