

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 14, 1999 LB 472, 652

this...where we're...how this amendment, AM1261, compares to the one we had just before it, AM1250. Does anyone on the floor know the distinction between the two? I'll wait patiently, Mr. Speaker, if that's what it takes.

SPEAKER KRISTENSEN: Senator Thompson.

SENATOR WEHRBEIN: Senator Thompson, I find out that I am not the only one that's on the floor that's confused this morning about the distinction between LB (sic--AM)1250, which you...we abandoned, and now gone to LB 12...AM 1261, AM1261. Would you...I have the AM1250 printed out, which is what I had been waiting to do, and I'd like to know what AM1261...the difference between AM1261 and the LB (sic--AM)1250, which I understand you substituted for, first of all. That's my first premise.

SENATOR THOMPSON: Okay. What we were attempting to do with the overall amendment was strike Dwite Pedersen's bill, LB 472, as part of the committee amendments. That was...

SENATOR WEHRBEIN: In AM1261?

SENATOR THOMPSON: In AM1261 and in the one before it. Because this is kind of flying pretty quick here, we've been working with Bill Drafters and there was some confusion because, prior to adopting AM1260...what was the one before this, AM12...

SENATOR WEHRBEIN: Fifty.

SENATOR THOMPSON: ...50, we adopted some amendments that, the ones that you asked me about before, that the department had requested.

SENATOR WEHRBEIN: Okay.

SENATOR THOMPSON: And the Bill Drafter's Office was following this on the floor and attempted to...and realize I had asked for the 1250 amendment to be drafted this morning because of the discussions late yesterday afternoon with the department saying...

SENATOR WEHRBEIN: All right.
