

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 15, 1999

SENATOR BOHLKE: Mr. President and members, just to point out that if Senator Chambers did not vote in affirmative on this he would indeed be in a pickle. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Bohlke. The question before us is the adoption of the confirmation report of Ann Pickel to the Nebraska Education Telecommunications Commission. Those in favor vote aye; those opposed nay. Have you all voted? Please record.

And since this is the last day before a recess day, we're working as much as we can, as quickly as we can to get as much done. So I would respectfully suggest that I understand that, and at the same time apologize to the county officials, who started back in July to put this thing together, for any inconvenience caused to them. And I'm sure all of us in the Legislature, the leadership and all the rest would also apologize. Hopefully, you can learn from this and work something out next year so it won't happen. But for this year I will not be, I don't have to withdraw anything, because I didn't enter any motions, but I would like to announce that I will not be introducing, at ten minutes to
