those opposed no. We are voting on AM1306 to LE 573. Have you all voted? Senator Beutler.

SENATOR BEUTLER: Mr. President, should it become necessary in the next few seconds here, I probably will ask for a call of the house and I'll take call-in votes.

PRESIDENT MAURSTAD: The question is shall the house go under call? Those in favor vote yes, those opposed no. Please record.

CLERK: 3 ayes, 0 nays to place the house under call, Mr. President.

PRESIDENT MAURSTAD: The house is under call. Would unauthorized personnel please leave. Would senators please record your presence. The house is under call. Senator Bourne, please check in. Senator Schrock, Stuhr, Bohlke. Senator Cudaback. Members, we have a few other bills that have amendments pending where we very well need more than a complement of members that have been here up to this point, so we'll go ahead and let everyone check in and then we'll proceed with the balance of consent calendar. We are under call. Will those members not excused please report...soon.

SENATOR CHAMBERS: Point of order.

PRESIDENT MAURSTAD: Senator Chambers.

SENATOR CHAMBERS: I think the running...the time is running on this bill should be told. Whenever we've had a call of the house, and the person said they'd accept call-in votes and people came on the floor and made it clear that they voted, that vote was accepted. If the Chair...

PRESIDENT MAURSTAD: Consent...

SENATOR CHAMBERS: ...is changing the rules, I want to know that.

PRESIDENT MAURSTAD: Has someone requested they'd accept call-in votes.
