

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 27, 1999 LB 805, 805A

SENATOR WEHRBEIN: Thank you, Mr. President, members of the body. The committee amendment simply says that the Legislative Council shall carry out the provisions of the study, and makes it clear about the appropriations. And it will come up with the LB 805A, on the appropriations bill, which will do \$50,000 General Fund, and \$50,000 cash which will come from the Severance Tax Fund for the two years. So it's a shared General Fund and Severance Tax Fund which becomes the cash fund that will go to the Legislative Council for oversight of the study. That's the committee amendment, this...particularly the Legislative Council issue, and tells where the appropriations will come, and then we'll have LB 805A to do the actual appropriations.

SENATOR CUDABACK: Thank you, Senator Wehrbein. We're open for discussion on the committee amendments. Seeing no lights, Senator Wehrbein, did you wish to close? He waives closing. The question before the body is, shall the committee amendments be adopted to LB 805? All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.
