

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

April 28, 1999      LB 882

SENATOR VRTISKA:    LB (sic) 130, again, is the...is the claim that was originally approved by the body on a vote, I think, of 25. It has to do with the \$25,072.03 rebate to a printing company and, again, I think it's a choice of the body to determine whether they want to overrule the decision made by the Business and Labor Committee or if they want to, in fact, deny this claim, and I guess that's a choice that this body has to make at this point, and I see no further reason to discuss the issue except at this time to return the time back to the Chair for the purpose of voting. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Vrtiska. The question is on Floor Amendment 130 of the divided committee amendments to LB 882. Those in favor vote aye; those opposed nay. Have you all voted? Mr. Clerk, please record.

CLERK:            16 ayes, 21 nays, Mr. President, on that component of the committee amendments.

PRESIDENT MAURSTAD: Floor Amendment 130 is not adopted. For discussion on Floor Amendment 131 of the committee amendments to LB 882, Senator Landis.

SENATOR LANDIS: I'll pass.

PRESIDENT MAURSTAD: Senator Chambers. Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. President, members of the body. I think some things need to be said before we move on here. First of all, that if you're in private business, as an insurance company or whatever, you...and you have checks that don't clear for whatever reason, or the not, you're not allowed to keep the money. You have to turn it over to the State Treasurer and it becomes part of the unclaimed property law and we're all familiar with the notices that they've sent to us of unidentified people that there been attempt to pay and they've not been identified. So all of the things we're working with are not applied evenly and equally across the state of Nebraska. It is also my understanding that there was references made to tax returns. I think there's a fairly...fairly extensive body of law and regulation with respect to filing amended returns.
