appreciation and the using of our position of importance to help other people feel important is a wonderful feeling. And I ask you to try it because it is a wonderful, wonderful feeling, and it doesn't make you special, but it'll make you feel special. Mentoring is something that will work. Thank you.

SPEAKER KRISTENSEN: Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, mentoring may be the greatest thing in the world, but that word means different things to different people, and I won't go into that, but I would like to ask Senator Bruning a couple of questions, if I may, on his amendment.

SPEAKER KRISTENSEN: Senator Bruning, would you respond?

SENATOR BRUNING: Yes.

SENATOR CHAMBERS: Senator Bruning, this program will be administered by the State Board of Education?

SENATOR BRUNING: Correct.

SENATOR CHAMBERS: Is this the same state board that said that evolution has to be taught as a theory, otherwise Christians will be offended?

SENATOR BRUNING: I'm not sure. Is it? I assume it is, if that's the question you're asking.

SENATOR CHAMBERS: I'm going to speak...is Senator Bohlke here? Would she answer a question because I don't want...

SPEAKER KRISTENSEN: Senator Bohlke.

SENATOR CHAMBERS: ...mislead Senator Bruning or say anything wrong. Senator Bohlke, did the State Board of Education do that very recently?

SENATOR BOHLKE: In response to an Attorney General's Opinion that asked them to change some wording that clearly make that...that point, yes.
