LB 556

that was previously filed. What this does is include the word "stickers" in the bill, and it cleans up where they set the fee at. I don't think it adds any substance, other than it does clean up, so that when you refer to "tabs", which are like the year and the month, you also include the stickers, which are tonnage stickers, and it's a grammatical thing that they needed to go ahead and add at this point in time. It doesn't add any money to the fiscal note. Thank you.

SENATOR CUDABACK: Thank you, Senator Kristensen. We are discussing the Kristensen amendment, AM1403. Senator Kristensen, there are no lights, do you wish to close? Senator Kristensen waives closing. The question before the body is, shall AM1403 be adopted to LB 556? All those in favor vote aye, opposed nay. Have you all voted that care to? Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Kristensen's amendment.

SENATOR CUDABACK: AM1403 is adopted.

CLERK: Senator Kiel would move to amend with AM1718. (AM1718, Legislative Journal page 1986.)

SENATOR CUDABACK: Senator Kiel, to open on your amendment.

SENATOR KIEL: Thank you, Mr. President, members of the Legislature. You are receiving a real short bullet-point of what this amendment does to this bill. And the bill has been actually approved, has had a public hearing twice now and...in front of Transportation, and has been passed out of Transportation twice. But, because of time constraints, it has never had an opportunity to be heard on the floor. The bill comes directly, actually, from a constituent of mine, Scott Bloemer, who runs Mid America Financial Corporation. What this simply does is...is there is now available to financial corporations and those kinds of groups repossession license plates. They are used by car dealers and financial entities when they repossess a car when a loan has been defaulted. When a car is repossessed, the registered license plate is removed, and the repossession plate is put on the car. The current
