LB 382

with the bill in the present form, there are some ambiguities and unclear areas in the bill. I don't know if what I'm suggesting that might reflect what Senator Landis said would be what other Revenue Committee members would say they understood, but since he and I discussed this area, that's what I think should be said to make it read the way he said he thinks...read what he said the intent is. And, with that, I'm going to ask for a call of the house to see how many of our colleagues stayed here.

SENATOR CUDABACK: There's been a request for the call of the house. All in favor vote aye, all opposed nay. Record, Mr. Clerk.
