to ask Senator Jensen a question, because he may know this.

SENATOR CUDABACK: Senator Jensen, would you yield to a question?

SENATOR CHAMBERS: Senator Jensen, does the Omaha Auditorium now have a parking facility connected to it?

SENATOR JENSEN: Yes, it does, on the west side of the current facility.

SENATOR CHAMBERS: Does it have an auditorium?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: Does it have an exhibition hall?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: Does it have a facility for on-site food preparation and serving?

SENATOR JENSEN: No, other than just the concessions it sells.

SENATOR CHAMBERS: Do they prepare that food on site?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: And do they serve it?

SENATOR JENSEN: Yes, concessions.

SENATOR CHAMBERS: So that qualifies. Do they have an administrative office?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: So the Civic Auditorium, under this definition, qualifies as a convention and meeting center facility. Is that right?

SENATOR JENSEN: Yes.
