LB 382

SENATOR CHAMBERS: If a fair price is given, can they...and due process, can they take private property for a public purpose?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: So it is possible for the auditorium to expand. Is that true?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: They may not want to expand in the direction they'd have to move though.

SENATOR JENSEN: That's correct.

SENATOR CHAMBERS: Is that what it is?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: Senator Jensen, how far...how far below 16th Street would you say the Union Pacific yards are?

SENATOR JENSEN: Are you saying in elevation?

SENATOR CHAMBERS: East, how far east? I'm sorry.

SENATOR JENSEN: Oh. It must be...well...

SENATOR CHAMBERS: Just an approximation.

SENATOR JENSEN: Eight, ten blocks.

SENATOR CHAMBERS: And how far north of Dodge would you say they are?

SENATOR JENSEN: Twelve blocks.

SENATOR CHAMBERS: Just roughly. Okay. Now what is the condition of the ground there, if you know, in terms of...

SENATOR JENSEN: The U.P. site?
