facility though, right?

SENATOR SCHROCK: No. But...

SENATOR BEUTLER: I mean I don't know of any...

SENATOR SCHROCK: ...but for land management purposes.

SENATOR BEUTLER: The...it's really critical that the relationship of subsection (2) and subsection (1) be understood. And I hope this evening there will be some time to...for people to get together to talk about that relationship. I think they went an awfully long ways....

SENATOR SCHIMEK: One minute.

SENATOR BEUTLER: Did you say "time"?

SENATOR SCHIMEK: No, one minute.

SENATOR BEUTLER: One minute? I think they went an awfully long ways with this Schrock amendment in restructuring and clarifying subsection (2). But it doesn't get into the question of the relationship between subsection (2) and subsection (3). So, maybe we need to look at both (2) and (3), independently, since they're intended to operate independently, and deal with them one at a time. And that being the case, the amendment that's before you deals with subsection (2) and adds that additional criteria. So at this point in time, I would simply recommend that minor addition,...

SENATOR SCHIMEK: Time.

SENATOR BEUTLER: ...and wait my next opportunity to speak.

SENATOR SCHIMEK: I'm sorry, Senator Beutler, did you say "and waive my next opportunity", or "wait"?

SENATOR BEUTLER: I'll wait.

SENATOR SCHIMEK: You're next.
