Transcriber's Office

And a priority motion. Senator Hartnett would move to adjourn.

SENATOR SCHIMEK: Speaker Kristensen, did you wish to be recognized?

SPEAKER KRISTENSEN: Yes, Madam President, I do. Tomorrow, we will, at 1:30, take up veto overrides of the mainline budget. The Appropriations Committee, it's my understanding, has returned a recommendation of no overrides, so we will take them in the order that they are filed and you'll see the list of the bills on the agenda. Tomorrow will be the only day we're going to do overrides of the mainline budget. So, if you want to do that, the appropriate time is to get those filed tomorrow morning and we'll take them up at that time. Thank you very much.

SENATOR SCHIMEK: Thank you. The motion is to adjourn. All in favor say aye. All opposed. We are adjourned.
