before the body is shall the committee amendments be adopted to LB 661?   All in favor vote aye, opposed nay. We're voting on the committee amendments to LB 661.   Senators are...record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator...or on the committee amendments, excuse me.

SENATOR CUDABACK: The committee amendments are adopted to LB 661. Mr. Clerk, next item.

CLERK: Mr. President, just an item for the record if I might.

SENATOR CUDABACK: Items for the record, please.

CLERK: New resolution, LR 265 by Senator Crosby. That will be laid over, Mr. President.   (See page 2269 of the Legislative Journal.)   Mr. President, Senator Bohlke would move to amend with 1028. (See page 1293 of the Legislative Journal.)

SENATOR CUDABACK: Senator Bohlke, you're recognized to open on your amendment.

SENATOR BOHLKE: Yes, Mr. President, and members.   I want to tell you I was quick to recognize the potential problems of this bill and the complications it may cause.   I filed this amendment, though, waiting to see if my seatmates would notice, knowing it was Senator Hudkins' priority bill and Senator Kristensen's bill.   They were a little slow to take notice and so I will just tell you, you can read it on your computers or in the book that says if there is liability for damages for...it removes any damages for defendants because of a computer date failure which occurs on January 1, 2000, or January 1, 1900, whichever comes first.   So, Mr. Clerk, I will withdraw that amendment.

SENATOR CUDABACK: You wish to withdraw that amendment?   It is withdrawn. (Visitors introduced.) Mr. Clerk, next amendment.

CLERK: Senator Kristensen would move to amend, Mr. President, with AM1827. (See page 2235 of the Legislative Journal.)
