 LR 18, 274-282

PRESIDENT MAURSTAD: The bill is passed notwithstanding the objections of the Governor. Mr. Clerk, items for the record.

CLERK: Mr. President, your Committee on Enrollment and Review reports LR 18CA as correctly enrolled. I have an explanation of vote (LB 881) from Senator Jensen. New resolutions, (read brief summary of LR 274-281). Those will all be laid over and considered later today, Mr. President. LR 282, a study resolution, by Business and Labor Committee. Pursuant to its introduction, reference report referring LR 282 to the Business and Labor Committee for purposes of conducting an interim study. And, Mr. President, pursuant to legislative action with respect to LB 556 and LB 556A, I have prepared a communication to the Secretary of State attesting to the Legislature's passage of those items notwithstanding the objections of the Governor. (Legislative Journal pages 2437-2446.)

PRESIDENT MAURSTAD: Members, while the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 176, LB 176A, LB 217, LB 592, LB 661, LB 779, LB 828, LB 849, LB 849A, and LR 18CA. Consistent with the Legislature's actions on LB 556 and LB 556A, I sign the certificate to be sent to the Secretary of State. Mr. Speaker.

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. We have just a few items left for this legislative session that will take place after lunch. We have a couple of more vetoes to consider. There are some other motions that we need to dispose of, and then make our preparations to adjourn sine die today. So I would really urge the members, and you've been so good all year, hang in here just another hour, hour and a half, and this session will be completed. I would move that we recess till 1:30 p.m.

PRESIDENT MAURSTAD: The question is, shall we recess until 1:30? Those in favor say aye. Those opposed nay. We are recessed.
